PROFILE SUMMARY

Aspiring Frontend Developer with a strong foundation in HTML, CSS, and Bootstrap. Seeking an internship opportunity to apply design and development skills in creating responsive, user-friendly web interfaces. Passionate about crafting clean, modern websites and learning advanced frontend technologies to build engaging digital experiences.

PROJECTS

Sea View Restaurant — HTML5 | CSS3 | Bootstrap 5

- Built a fully responsive multi-page restaurant website with Home, About, Menu, Special Dishes, Gallery, Book-a-Table, and Contact pages.
- Designed a clean and modern UI using HTML, CSS, and Bootstrap, ensuring smooth layout.
- Added a working table-booking form and optimized images to keep the website fast and easy to navigate.

All In One Service Hub — Laravel | MySQL | HTML | CSS | Bootstrap

- Built a multi-service booking platform with Customer, Service Provider, and Admin panels supporting various household and personal services.
- Designed a clean and user-friendly interface for browsing services, booking appointments, and managing service requests.
- Added features like SMS alerts, service status updates, and provider verification to ensure smooth and reliable service management.

TECHNICAL SKILLS

- Programming Language:** Java, Python
- Frontend:** HTML5, CSS3, Bootstrap 5, JavaScript(Basics), React
- Tools:** VS Code

PROFESSIONAL EXPERIENCE

Resonit – Python Intern May 2024 - July 2024

- Completed a six-week internship focused on Python Coding Essentials and core programming concepts.
- Gained hands-on experience with clean coding, problem-solving, and mini-project implementation.
